Rand McNally : 2018 Rand McNally EasyFinderreg; Midsize Road Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised 2018 Rand McNally EasyFinderreg; Midsize Road Atlas:

0 of 0 people found the following review helpful. Road atlas provides big picture for road trips that GPS and iPhone can't doBy Lisa JFDespite having a GPS and smart phone, I still like hard copy road atlas. It gives me big picture when traveling around the US, so I can select more scenic route. This size fits perfectly in my car between seat and console. I started highlighting my travel since retirement in this road atlas, just something fun to do. Surprisingly I used this road atlas several times this summer, to find cities where to book hotels and to find short scenic road trips.28 of 29 people found the following review helpful. Order something elseBy SharonStates are broken across pages. Ugly colors. Generally hard to read. Ordered this because other RM road atlases were so great. This one is horrible.0 of 0 people found the following review helpful. I thought this might be too small to be useful but it is greatBy Verabell thought this might be too small to be useful but it is great. Print is large enough and page breaks do not cut too much from map.

This spiral bound format features maps that are 35% bigger than those found in Rand McNally's standard Midsize Atlas. This updated North American atlas contains maps of every U.S. state and Canadian province, an overview map of Mexico, plus detailed maps of over 50 North American cities, all conveniently packaged for travel.
