Looking for a Safe Tax-Deferred Investment?By Walt GoshertKathy takes a complex subject- taxes and commercial real estate investing- and makes it simple to understand.Any one with current investment properties, or those who want to explore investing in safe real estate options, need to grab and read this book.Also CPAs, financial advisors, and tax attorneys should add this book to their resources.0 of 0 people found the following review helpful. Excellent, exhaustive resource on the subject of triple net leases and investing in themBy Laurica ZioKathy knows triple net leases. And when you've read her book, you will too. The most exhaustively thorough and well written book on the subject you can buy. Before you buy another other, buy this one. Keep it as a desk reference forever.0 of 0 people found the following review helpful. Concise, informative overview.By StrateahedNice overview of the benefits of investing in Single Tenant Net Leased (STNL) real estate. Kathy also does a real good job of explaining the 1031 exchange process (and particularly the time line) in lay terms. She makes a good case as to why having a lquo;buyerrsquo;s brokerrdquo; is the way to go. If yoursquo;re just getting started and looking for passive income alternatives, this is a good first step. Lewis M.

NNN (Triple-Net Leased Commercial Real Estate Investments) are the DARLING of savvy PASSIVE-INCOME real estate investors, but they are not well known. In this book, learn: -WHAT they are; -WHY they are so easy to own -the BENEFITS and DISADVANTAGES -HOW to defer taxes when you acquire one. Kathy Heshelow, the author, has 18 years of experience in this niche, and has written a short, focused book to help the uninitiated understand if this might be a path to passive income and wealth building to consider.
